### ATV Safety Training Course and Testing

Operators 11-15 years of age may take this course to get the mandatory safety training certificate. If you are 11 years old your certificate does not become valid until you are 12 years old (you have to be turning 12 this year).

Anyone born after July 1, 1987 must have a certificate. There are two parts to ATV Safety Training. The first is in classroom testing and the second part is the driving course. You must complete both classes to earn your certificate.

You must complete the MN Rider's Safety Class online at:

<http://www.dnr.state.mn.us/safety/vehicle/atv/index.html>

Then click on [ATVcourse.com](http://ATVcourse.com). Just follow the steps. This online class will cost you \$24.95 that you will pay online.

**You must bring the completed certificate with you to class. Print the certificate and bring with you to class.**

**If you do not complete this online class, you will not be able to take this class.**

### ATV Safety Training in the Classroom - Testing:

**\*\*\*\*A parent or guardian must come to the beginning of the class! I recommend that you come early to fill out the paperwork.**

Cost: \$5.00 payable to CERC.

CLASS PORTION - will take place at the Littlefork High School in the Media Center computer lab 8:00 a.m. - 12:00 p.m.

**Bring a lunch**

**Deadline to register: Tuesday, September 5, 2023**

### ATV Safety Training Driving Part:

DRIVING PORTION - will take place at the Littlefork fairgrounds at 1:00 p.m.

Please dress appropriately such as: jeans, boots or tennis shoes and a helmet (must.) NO flip flops.

After your child has passed the test and driving course, Paul Kennedy will give them a yellow form with an id number on it. A parent will have to go online and purchase the actual certificate (DNR fee is \$10.00 - this price may have changed) when your child turns 12.

Register by filling out the registration form and return to CERC with payment of \$5.00 by 09/05/23.
