

Firearms Safety Training

DNR Firearms Certification is required of anyone born after December 31, 1979 to purchase a hunting license in Minnesota. Certification is available to students 11 years and older. (as long as you are turning 12 this year)

The firearm safety class consists of a minimum of 12 hours online learning course and then field experience. This class will teach the safe handling of firearms and hunter responsibility. The field experience allows students to learn and demonstrate commonly accepted principles of safety in hunting and handling firearms. Upon completion of this course, students will receive a temporary certificate. This certificate will allow hunters to purchase a hunting license in Minnesota.

PLEASE NOTE:

To become certified, you **MUST** complete the 12-hour online course at HunterCourse.com (<http://www.huntercourse.com/usa/minnesota/>). This course will cost \$24.95 to purchase online. When you complete this 12-hour course you must print off the certificate. This certificate must be turned into CERC. If you are unable to print this you can email this certificate to CERC at littlefork-cerc@hotmail.com.

A parent or guardian must come to the beginning of the class. Your child will watch a short video and take a test before going to the Rifle Range. Paperwork needs to be completed by a parent or guardian while the kids are watching the video and testing. Following the video and testing parents/guardian will need to give their child a ride out to the rifle range to complete the field experience.

NO DATE/TIMES SET YET! NEED A NUMBER COUNT
Deadline to register: Friday, September 15, 2023

Field Experience: **Will get information sent out at a later date!**

Cost: \$8.00 payable to CERC.

After your child has completed and passed the course, the instructors will give them a form with an id number on it. A parent or guardian will have to go online and purchase the actual certificate.
