FROM THE DIRECTOR

And there it goes...Summer of 2024! Wow, it's amazing how fast time goes and more so, how fast summer goes. Welcome back to school!

Just a recap, in case you haven't heard... My name is Tiffany, and I am the new CERC Director for Littlefork. I'm excited for this position to carry on the programs that are established but to also bring in new programs and events to our community!

I started my role as the CERC director mid-June and got to work very fast. Within a matter of two weeks or so, the Kids Garden Club was up and running and order forms were created for the community birthday calendar. We had 5 kids sign up for kid's garden, which was perfect, while I tackled the ins and outs of figuring out how Kids Garden Club works along with many other aspects of this role. I would like to personally thank the kids for coming each Wednesday to help pull weeds, learn about garden facts and enjoy a yummy snack! Thank you to the parents for involving their kiddos! Also, a giant thank you to Littlefork Lutheran Church for allowing us to use their property, to host our Kids Garden Club. Also, a special thank you to Sonja Pelland for being a volunteer and helping with Kids Garden Club.

I have one ask of parents, school officials and community members and that is to extend grace. I am still very new to the area, let alone to this new position. While I'm highly educated, I did not grow up here nor attend the school district. So, I'm learning your ways of how you do things, and I just ask for kindness and grace to be extended back. If you have a question or need to bring something to my attention, please directly reach out to me. We are all humans, and no one is perfect. I know I must gain your trust and I'm hoping that in time I'll prove to you, as a whole community, that you can trust me as you see my various skills that I will bring to CERC.

Kindly,
Tiffany Dobbs | CERC Director
