

CERC

COMMUNITY EDUCATION & RECREATION COMMISSION

November 2024
NEWSLETTER

FROM THE DIRECTOR

Hello Littlefork!

October is flying by so fast! It'll be November before we know it! All youth fall sports wrapped up in early October, thank you again to the coaches that stepped up to help coach. Youth basketball registration forms (for January) will be rolling out soon, so keep watch!

There are several big events coming up in late October and November, make sure you're in the loop so you don't miss out! Check out the events (to the right)!

We also need volunteers for the book fair and craft fair, if you would like to help, please reach out or stop in at the City Office.

Remember, here are the ways to stay updated on any current or upcoming event...

1. **Facebook:** City of Littlefork Page
2. **Handouts:** Check your child's folder and school bag to see if they have any handouts.
3. **Bulletin Board:** There are two bulletin boards, one at TruStar and another at the post office. I regularly post events on these boards.
4. **City of Littlefork Website:** You can see any upcoming event on the City of Littlefork website under the CERC page by looking at the registration forms that are present.

Kindly,
Tiffany Dobbs | CERC Director

SPOTLIGHT

Youth Tackle Football-Played 4 games
(Tied 1st game & won the other 3 games!)
Well, done team & coach!
